ASPA de México has been informed by IFALPA that the Austrian Transport and Services Union (VIDA) has called for Industrial Action of pilots and cabin crew at Austrian Airlines, because after 18 rounds of negotiations with the airline management, unfortunately an agreement has not been reached.

At this date, we hope that an honest dialogue between the company and the employees can reach a fair solution. Meanwhile, for sure, as per the IFALPA Industrial Manual, ASPA will provide support in:

- Ban on Wet Leasing (Para. 2.4.1)
- Freeze in Capacity (Para.2.4.2.2)
- For carriers inside Alliance (Para. 2.4.2.3)
- For carriers outside Alliance (Para. 2.4.2.3)
- Assistance to Pilots Stranded Away from their Home Base (Para. 2.4.5)
- Prohibition of Pilot Contracting (Para. 2.4.6)
- Submissions and Representations (Para. 2.4.7)

In Unity,

Capt. Santiago López Cadena
Technical and Foreign Affairs Secretary

Capt. José Humberto Gual Ángeles
Secretary General

cc. Sebastián Currás – Senior Officer, Professional & Government Affairs, IFALPA.
